Ecosport **2022 MY**

DESIGNED FOR THE URBAN JUNGLE. BUILT TO ESCAPE IT.

The EcoSport i s all SUV- make no mistake about it.

Versatile seating to accommodate any adventure, spritely performance to make any drive a pleasure;

this car is at home just about anywhere. So go on now.

Enjoy the ride.

The Ford EcoSport range includes:

ECOSPORT TREND PLUS

| SPORT PLUS

EXTERIOR FEATURES

| YOUR CITY, UNLOCKED.

Every inch of the ECOSPORT is designed to help you do more, go anywhere and make the most of your city life. With a bold new exterior design, ECOSPORT always looks like it's ready for action. That's because it is.

| MORE SPACE. MORE LIFE.

ECOSPORT makes every load manageable. But never at the cost of your comfort – up to a colossal 1,178 liters. Thanks to their ingenuous design, the rear seats can fold down to give you an impressive 1,238 litres of space in the back. The seats can be split 60:40, they can fold forward to make room for taller objects and, to help make best use of space. Additionally, the load floor in the cargo area has three height settings, so you can create a hidden compartment of varying size under the boot floor. When set in its highest position, and with the rear seats folded, you get a flat load floor.

STANDARD ON ECOSPORT TREND PLUS & SPORT PLUS

Elevated ride height lets you see more of what's going on around you. Plus it's never been easier to get in and out, thanks to the perfectly positioned seats. A new center console features an armrest with integrated storage. We added a retractable armrest with cupholders in the backseat too. Enjoy peaceful cabin quietness, no matter how loud your city gets. We even made the tyres quieter!

STANDARD ON ECOSPORT TREND PLUS & SPORT PLUS

PEACE OF MIND WHEREVER YOU GO.

Drive around with full confidence, knowing that the EcoSport has a full 5-star ANCAP safety rating. In addition to the driver and passenger front airbags, driver knee airbag, side airbags provide thorax protection and are designed to direct the occupant away from the impact area. They're also able to raise the arm of the occupant providing better space between them and the intruding structure. Curtain airbags provide maximum coverage and headrests offer protection from whiplash. With front and rear seatbelt pre-tensioners and load limiters, plus seatbelt minders, EcoSport helps puts your safety first.

GET THE MOST OUT OF YOUR ENGINE

The revolutionary 1.0-litre 3-cylinder Ford EcoBoost petrol engine is a six times winner of the International Engine of the Year award. And no wonder. With a power output of 123HP and 170 N.m torque, you'll enjoy all the exhilarating performance you'd expect from a larger engine, but also see better fuel economy and lower CO2 emissions.

LED DAYTIME RUNNING LIGHTS FOR STYLE AND VISIBILITY

Highly energy efficient, these advanced daytime running lights help get you noticed during the day and seen clearly at night.

STANDARD ON ECOSPORT TREND PLUS & SPORT PLUS

START YOUR VEHICLE WITH THE TOUCH OF A BUTTON

EcoSport automatically senses the presence of its own unique key fob, even if it's in your pocket or bag. So just press the Ford Power starter button and the engine fires to life.

SET A TEMPERATURE TO SUIT YOU

With Electronic Automatic Temperature Control, you just select the exact interior temperature you like and the system maintains it

with advanced air conditioning. With a new, three-stage Auto setting you control how quickly and intensely your car heats or cools.

SEAMLESS TECHNOLOGY YOU CAN CONTROL WITH YOUR VOICE

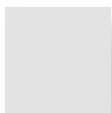

Ford SYNC 3 is a state-of-the-art system that enables you to stay connected and control your phone, music and navigation system with intuitive voice commands, or a colour touchscreen.

It connects to Apple CarPlay and Android Auto too, and with Applink, you can access some of your favourite smartphone apps.

Live Traffic can also help you avoid the jams.
