ENGAGE WITH EXCLUSIVE AUDIO

Lincoln is the only automaker to offer you the Revel® Audio System¹ experience. Choose your level of immersion with personalized listening modes like "Stereo," "Audience" and "On Stage." In every mode, outstanding, multi-dimensional sound is delivered courtesy of 14 carefully placed speakers, advanced cabin correction tuning, QuantumLogic® Surround sound technology, and Revel Waveguides. You won't just hear the level of precision and musical accuracy — you'll feel it.

¹Available feature.

ENRICH YOUR TRAVELS

Whether you're making the most of some alone time or sharing a journey with friends, Corsair offers the functionality and flexibility you need to optimize every experience. A panoramic Vista Roof¹ with power sunshade lets you increase the spacious feeling inside the cabin at the push of a button. And when the need arises, you can slide the rear seats forward 6" to take advantage of up to 34.0 cu. ft. of rear cargo space. That's enough room to carry 4 large suitcases,² while still seating 4 of your friends. To fold the rear seat backs down, just press the EasyFold®¹ release buttons and you'll have 57.6 cu. ft. of space to fill. Corsair even offers you effortless access to the cargo area, raising its hands-free liftgate¹ with just a kick of your foot beneath the rear bumper.

¹Available feature. ²Cargo and load capacity limited by weight and weight distribution.

TURBOCHARGE YOUR DAY

The Corsair makes it easy with an all-turbocharged engine lineup. The standard 250-horsepower¹ Turbocharged 2.0-liter pairs with the 8-speed. Corsair offers smooth and effortless acceleration, plus hug-the-road performance, for an energetic and seemingly frictionless driving experience.

GLIDE EFFORTLESSLY

To help provide a smooth ride, Corsair features an Integral Bush Rear Suspension designed to absorb impacts and vehicle body motion in a way that helps make driving over most obstacles and road conditions as comfortable as possible. Torque Vectoring Control actively adjusts the speed between your front wheels for enhanced cornering actility.²

THRIVE WITH LINCOLN DRIVE MODES

JOURNEY WITH CONFIDENCE

Our extensive collection of driver-assist technologies^{1,2} utilizes a network of sensors and sophisticated cameras to offer you support during many scenarios. These advanced features are all aimed at helping you feel confident in the 2021 Lincoln Corsair.

¹Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ²Available feature.
