2021 NAUTILUS

Vehicle imagery throughout this brochure may be computer-generated and may include available and aftermarket equipment.

ALWAYS BEGIN ON A BRIGHT NOTE.

Each time you approach, Nautilus greets you with a warm embrace. Available dynamic LED signature lighting flows gracefully outward beneath the available advanced LED multi-projector headlamps. Backlit door handles extend an invitation, while luminous Lincoln welcome mats appear on the ground. The available ambient lighting beautifully illuminates the elegant interior, and the autofold power sideview mirrors with available memory deploy to your personalized settings as you take your seat. Every departure brings the opportunity for new adventures in the 2021 Lincoln Nautilus.

INDULGE IN DISTINCTIVE DESIGN

Wherever your journeys lead, Nautilus is thoughtfully designed to help you revitalize and recharge along the way. Configure the gracefully curved 13.2" digital instrument cluster to your liking using controls on the hand-stitched, leather-wrapped steering wheel with available heat. Enjoy your favorite podcast while your phone rests on the wireless charging pad¹ inside the media bin. And do it all while relaxing in the available Ultra Comfort front seats with 22-way power adjustability – including power thigh extenders and head restraints – plus, ventilated settings and Active Motion[®] massage functionality. They can even help reduce muscle fatigue in your upper legs and lower back after a long day of driving. Yet another reason to make Nautilus yours.

¹Available Qi wireless charging may not be compatible with all mobile phones.

ENGAGE WITH DYNAMIC AUDIO

The available Revel[®] and Revel Ultima Audio Systems deliver finely crafted sound in full. With personalized listening modes like "Stereo," "Audience" and "On Stage," you have the freedom to experience different levels of sound immersion for any journey. Outstanding, multi-dimensional sound is courtesy of 13 carefully placed speakers in the Revel system and 19 in the Revel Ultima system. Include advanced cabin correction tuning, QuantumLogic[®] Surround sound technology and Revel Waveguides, and the level of precision isn't just heard – it's felt.

DISCOVER UNCOMPROMISING COMFORT

Nautilus is designed to be your sanctuary, from the sound dampening materials beneath its plush carpeting to the acoustic-laminate glass in its front doors and windshield. The artisans of Lincoln even utilize the audio systems in their quest for quiet. By sending precisely chosen sound waves through your speakers, Active Noise Control helps cancel out unwanted noise and refines engine sounds.

You have an array of sumptuous interior palettes from which to choose, including this rich Coffee-colored luxury leather¹ and Espresso Ash Swirl open-pore wood¹ pairing. Dramatic, flowing suspension bridge-inspired styling connects the instrument panel and center console while creating space for your travel essentials. And it's easy to keep your devices charged with a wireless charging pad,^{1,2} four 12V powerpoints and two smart-charging USB ports¹ (1 USB-A and 1 USB-C) – two ports in the media bin and two in the rear seat.

To access the spacious rear cargo area, simply kick your foot beneath the rear bumper with your key fob tucked away in a pocket or bag. The available hands-free liftgate effortlessly opens to reveal a flat load floor with both sides of the EasyFold[®] 60/40 split rear seat folded down. After you've loaded your cargo, close the liftgate with the press of a button or another kick.

¹Available feature. ²Available Qi wireless charging may not be compatible with all mobile phones.

LINCOLN
SYNC® 4

VOICE-ACTIVATED SIMPLICITY

Introducing the SYNC® 4 on the 2021 Nautilus. SYNC® 4 makes it easy to listen to your favorite music, handle phone calls and more, while you're on the go.¹ It all works through simple voice commands and the controls on your steering wheel. The system also includes Apple CarPlay^{®5} compatibility² and Android Auto[™] compatibility.²

SYNC® 4 AppLink^{®3} gives you voice control of compatible mobile apps on your connected phone, too. You can use it with the Waze[™] community-based traffic and navigation app³ on your iPhone[®].

SYNC® 4 with Voice Recognition, 13.2" LCD capacitive touchscreen, Touchscreen Navigation system, Pinch to Zoom capability, wireless phone connection, wireless Apple CarPlay[®], Android Auto[™] compatibility, digital owner's manual, and smart-charging USB ports (1 USB-A and 1 USB-C).

APPLE CARPLAY® & ANDROID AUTO™ COMPATIBILITY

Apple CarPlay^{®5} allows you to connect the compatible iPhone and get access to features like:

- Apple Music[®]
- Siri[®] to send and receive hands-free text messages

Android Auto[™] allows you to connect the compatible Android smartphone to get access to features like:

- Google Maps[™]
- Google Assistant[™] virtual personal assistant, for pass through voice commands

¹Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. ²Requires phone with active data service and compatible software. SYNC[®] 4 does not control third-party products while in use. Third parties are solely responsible for their respective functionality. ³Commands may vary by phone and AppLink[®] software. ⁴Available feature. ⁵Apple CarPlay[®] and its functions are products of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan. All features supported in Middle East countries are available. ⁶Android Auto[™] and its functions are products of Google and its terms and privacy statements apply. Requires compatible Android smartphone with Android Auto[™] app on Google Play and data plan. All features supported in Middle East countries are available.

TURBOCHARGE YOUR DAY

For a virtually instantaneous surge of power on demand, Nautilus Reserve offers you a Twin-Turbocharged 2.7-liter V6 engine. Paired with Intelligent all-wheel drive (AWD), the 2.7-liter combines turbochargers with direct fuel injection and twin-independent variable camshaft timing (Ti-VCT) to produce an inspirational 335 horsepower¹ and 515Nm of torque.¹

¹Horsepower and torque ratings based on premium fuel per SAE J1349[®] standard. Your results may vary. Horsepower and torque ratings are independent attributes and may not be achieved simultaneously.

DELIGHT IN EVERY DRIVE

The foundation of the all-turbocharged Nautilus engine lineup is the Turbocharged 2.0-liter I-4. It uses a twin-scroll, low-inertia, single turbocharger to produce 250 horsepower¹ and 279Nm of torque¹. A broad torque curve means it offers you plenty of torque through the powerband for sustained acceleration.

EXPERIENCE AN ELEGANTLY SMOOTH RIDE

Both the Turbocharged 2.0-liter I-4 and Twin-Turbocharged 2.7-liter V6 are paired with an 8-speed SelectShift[®] automatic transmission designed to provide the right gear at the right time, contributing to driveability, smoothness and refinement. Both engines also feature Auto Start-stop Technology that can shut the engine off when the vehicle comes to a complete stop to help save fuel. When you release the brake pedal, the engine seamlessly restarts.

GLIDE EFFORTLESSLY

Imagine yourself gliding effortlessly along – at peace with your surroundings. The available Adaptive Suspension can take you there by helping to isolate your Nautilus from road imperfections. Engage the Sport drive mode to enjoy tighter suspension tuning, firmer steering calibration, and more powerful engine sounds in the cabin – all while feeling steadfastly connected to your vehicle and the road.

The Intelligent all-wheel drive (AWD) goes beyond helping to enhance overall handling. Designed to help save fuel, AWD Disconnect can enable or disable driveline torque to the rear wheels, seamlessly and automatically, without the driver having to engage the system at all. So you can focus on the joys of your drive.

STANDARD FEATURES

POWER AND PERFORMANCE

- 8-speed SelectShift® automatic transmission
- Electric parking brake
- Electric Power-Assisted Steering (EPAS)
- All-wheel drive (AWD)
- Power disc brakes with Anti-lock Brake System (ABS)
- Torque Vectoring Control

LINCOLN CO-PILOT360®

Auto high-beam headlights, Blind Spot Detection with cross-traffic alert, Lane-keeping System (includes lane-keeping assist, lane-keeping alert and Driver Alert), Pre-collision Assist with Automatic Emergency Braking (AEB), (includes Pedestrian Detection, Forward Collision, Warning, and Dynamic Brake Support), and rear-view camera, with camera wash

DRIVER ASSIST TECHNOLOGY

- Hill start assist
- Autohold
- AdvanceTrac® with RSC® (Roll Stability Control)¹
- Post-impact braking
- Reverse Sensing System

CONNECTIVITY AND ENTERTAINMENT

Lincoln Premium Sound System with AM/FM stereo/ single-CD player, MP3 capability and 11 speakers including a subwoofer
13.2" LCD capacitive touchscreen, SYNC® 4 AppLink®, and 2 smart-charging USB ports

¹Always wear your safety belt and secure children in the rear seat. ²Horsepower and torque ratings based on premium fuel per SAE J1349® standard. Your results may vary. Horsepower and torque ratings are independent attributes and may not be achieved simultaneously.

DRIVER CONTROL

- Dual-zone electronic automatic temperature control
- Power windows with one-touch-up/-down with global open/close for all 4 windows
- Push button shifter
- Remote start system

EXTERIOR

- Acoustic-laminated windshield and front-door glass
- Dual chrome exhaust tips
- Easy Fuel® capless fuel filler
- Power liftgate
- LED headlights with dynamic signature lighting
- LED taillamps with LED backup lights
- Power-adjustable, autofold, heated, body-color sideview mirrors with integrated LED turn signal indicators
- 18" Warm Alloy painted Aluminum wheel

INTERIOR

- 12V powerpoints (4)
- 13.2" LCD instrument cluster display
- 60/40 split-fold-flat rear seat with recline and EasyFold® seat back release
- Active Noise Control
- Comfort front seats with 10-way/8-way for driver/ passenger power adjustability and driver's side memory feature
- Heated front seats
- Leather-wrapped steering wheel

INTERIOR PACKAGE

- LED-illuminated exterior door handle pockets
- Lincoln Approach Detection System
- Lincoln logo illuminated welcome mats
- Lincoln signature fade-on exterior lighting

SAFETY AND SECURITY

- Personal Safety System™ for driver and front passenger with dual-stage front airbags,¹ safety belt pretensioners, safety belt energy-management retractors, safety belt usage sensors, driver's seat position sensor, crash severity sensor, restraint control module and front-passenger sensing system
- AdvanceTrac® with RSC® (Roll Stability Control)™
- Driver's knee airbag¹
- Front-seat side airbags¹
- Glove-box-door-integrated knee airbag¹
- Intelligent Access with push-button start
- MyKey® technology to help encourage responsible driving
- Perimeter alarm
- Safety Canopy® side-curtain airbags¹
- SecuriCode™ invisible keypad
- SecuriLock® Passive Anti-Theft System
- SOS Post-Crash Alert System™
- Tire Pressure Monitoring System (excludes spare)

THE LINCOLN WAY

Along with your new Lincoln Nautilus, you'll enjoy the benefits of a personalized relationship with the team at your Lincoln Distributor. From exploring finance options to demonstrating your vehicle's technologies, we are dedicated to delivering an ownership experience that exceeds your expectations. It's all part of the Lincoln Way.

THE LINCOLN NAUTILUS PRESIDENTIAL

Presidential

WELCOME

Lincoln Presidential is your invitation to a uniquely elevated automotive experience, one that revolves around you. Our 2021 collection features carefully curated design themes inspired by the love of travel, the arts, culture, fine food, architecture, fashion and more. Which one speaks to you? Explore them at your leisure at your distributor or another place of your choosing.

CHALET

Lincoln NAUTILUS

The striking Chalet theme evokes the contrasting pleasures of cool, crisp mountain air and the warmth of an après-ski lodge. Venetian leather seats feature the Lincoln Star perforation pattern inserts. Espresso and Alpine colored leathers combine with the softness of an Alcantara® headliner and the beauty of Silverwood appliqué to create a welcoming space that inspires rejuvenation.

A specially selected palette of custom, multifinish, premium paints is designed to enhance the exterior contours and complement the interior beauty of Lincoln Presidential vehicles.

INTERIOR PALETTE

CHALET

Alpine Venetian
Silverwood

Less than 1% of hides produced globally are selected by a third-generation craftsman at Eagle Ottawa – a tannery since 1865 – then transformed into our exclusive Venetian leather through a process that imparts the softest “hand” and outstanding durability. Custom perforation patterns and precise stitching give this exquisite, naturally grained leather the perfect finishing touches.

A specially selected palette of premium multifinish paints is designed to enhance the exterior contours and complement the interior beauty of Lincoln Black Label vehicles.
