BUMPER-TO-BUMPER WARRANTY 6yrs/110 000km. Please contact your dealer for warranty details applicable to your market.

THE LUXURY EXPERIENCE REDEFINED

SUV built with a commanding new design, driver-focused technologies like automatic emergency braking and pedestrian collision avoidance.¹

The sleek new Nautilus greets you with the signature Lincoln Star mesh grille flanked by advanced LED multi-projector headlamps.¹ Dynamic LED signature lighting¹ flows gracefully outward upon your approach. Luminous welcome mats appear on the ground. Ambient lighting¹ beautifully accents the interior, and autofold¹ sideview mirrors deploy as you relax into your seat. Designed to encourage exploration, the 2019 Lincoln Nautilus is poised for your next adventure.

¹Available feature.

MANY INSPIRING JOURNEYS AWAIT

Wherever life's opportunities lead, you'll be ready to make the most of them in the new Nautilus. Designed to help you revitalize and recharge between outings, this soothing space features graceful lines, luxurious materials and rejuvenating amenities.

Listen to your favorite playlist or podcast, without any wires, while your phone rests securely on the wireless charging pad^{1,2} inside the media bin. Configure the gracefully curved 12.3" digital instrument cluster using controls on your hand-stitched, Wollsdorf leather-wrapped,¹ heated¹ steering wheel. The frameless rear-view mirror offers you an unencumbered scene, while the front seats wrap you in warmth from their heated side bolsters and seat cushions. Choose the Ultra Comfort front seats¹ with 22-way power adjustability – more than any other vehicle in the class – including power thigh extenders and head restraints, plus ventilated settings and Active Motion[®] massage functionality. They're wonderful for helping reduce muscle fatigue in your upper legs and lower back after a long day of driving. Yet another reason to make Nautilus the vehicle for all your future endeavors.

¹Available feature. ²Available Qi wireless charging may not be compatible with all mobile phones.

DISCOVER UNCOMPROMISING COMFORT

Nautilus is designed to be your sanctuary, from the sound dampening materials beneath its plush carpeting to the acoustic-laminate glass in its front doors and windshield. The artisans of Lincoln even utilize the audio systems in their quest for quiet. By sending precisely chosen sound waves through your speakers, Active Noise Control helps cancel out unwanted noise and refines engine sounds.

You have an array of sumptuous interior palettes from which to choose, including this rich Coffee-colored luxury leather¹ and Espresso Ash Swirl open-pore wood¹ pairing. Dramatic, flowing suspension bridge-inspired styling connects the instrument panel and center console while creating space for your travel essentials. And it's easy to keep your devices charged with a wireless charging pad,^{1,2} four 12V powerpoints, 2 smart-charging USB ports, and a 220V power outlet.¹

Your passengers can enjoy the most 2nd-row leg room in the class, while taking advantage of the Lincoln Play with DVD rear-seat entertainment system.¹

To access the spacious rear cargo area, simply kick your foot beneath the rear bumper with your key fob tucked away in a pocket or bag. The standard hands-free liftgate effortlessly opens to reveal a flat load floor with both sides of the EasyFold[®] 60/40 split rear seat folded down. After you've loaded your cargo, close the liftgate with the press of a button or another kick.

¹Available feature. ²Available Qi wireless charging may not be compatible with all mobile phones.

VOICE - ACTIVATED SIMPLICITY

SYNC® 3 makes it easy to listen to your favorite music, handle phone calls and more, while you're on the go.¹ It all works through simple voice commands and the controls on your steering wheel. The system also includes Apple CarPlay™ compatibility² and Android Auto™ compatibility.²

SYNC® 3 AppLink^{®3} gives you voice control of compatible mobile apps on your connected phone, too. You can use it with the Waze™ community-based traffic and navigation app³ on your iPhone.[®]

EXCLUSIVE AUDIO

Lincoln is the only automaker to offer Revel® and Revel Ultima® audio systems.⁴ They're expertly engineered to deliver a level of precision and musical accuracy you won't just hear – you'll feel. It's as if you're seated in the "Audience" or up "On Stage" when using the personalized listening modes. Outstanding, multi-dimensional sound in every seat is courtesy of advanced cabin correction tuning, QuantumLogic® Surround sound technology, and Revel Waveguides. Revel Ultima features 19 speakers and patented Clari-Fi™ music restoration technology that enhances satellite radio, streaming services, MP3s and other digital sources – for clear, crisp, wide, dynamic sound.

¹Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. ²Requires phone with active data service and compatible software. SYNC® 3 does not control third-party products while in use. Third parties are solely responsible for their respective functionality. ³Commands may vary by phone and AppLink® software. ⁴Available feature.

SPIRITED IN ITS RESPONSE

Nautilus launches with an all-turbocharged engine lineup, putting plenty of power and torque at your command. Select the Twin-Turbocharged 2.7-liter V6¹ or the standard Turbocharged 2.0-liter I-4. Either way, you'll benefit from the combination of turbocharging, direct fuel injection, and twin-independent variable camshaft timing (Ti-VCT).

An 8-speed SelectShift[®] automatic transmission – all-new for Lincoln this year – is paired with both engines. Designed to provide the right gear at the right time, the 8-speed transmission contributes to the driveability, smoothness and refinement of every Nautilus.

Intelligent all-wheel drive (AWD)¹ goes beyond maximizing traction. Designed to help save fuel, new AWD disconnect technology operates seamlessly behind the scenes. The system can reconnect when starting from a complete stop, if front wheelslip is detected, and in other moments when AWD capability is beneficial.

Imagine yourself gliding effortlessly along – at peace with your surroundings. Adaptive Suspension¹ can take you there by helping to isolate your Nautilus from road imperfections. Engage the Sport drive mode to enjoy tighter suspension tuning, firmer steering calibration, and more powerful engine sounds in the cabin – all while feeling steadfastly connected to your Nautilus and the road.

¹Available feature.

Introducing the most comprehensive standard driver-assist technology collection Lincoln has ever offered: Lincoln Co-Pilot360.^{™1} These smart features utilize a network of radar sensors and sophisticated cameras to help guide you through various scenarios. From backing out of a driveway or parking spot onto a busy street, to dealing with the fatigue of a long trip, Nautilus can help ease your drive.

CLEVER WITH
ITS GUIDANCE

Standard Lincoln Co-Pilot360[™] features:¹

BLIND SPOT DETECTION WITH CROSS-TRAFFIC ALERT

Helps warn of vehicles detected in blind spots while going forward and when slowly backing up

PRE-COLLISION ASSIST WITH AUTOMATIC EMERGENCY BRAKING (AEB)²

Also features Pedestrian Detection

LANE-KEEPING SYSTEM WITH DRIVER ALERT

Can help alert you if you start to drift out of your lane³

REAR-VIEW CAMERA

Displays what's behind the vehicle when in Reverse

AUTO HIGH-BEAM HEADLAMPS

Can help increase your forward visibility

Driver Assistance Package adds:¹

ADAPTIVE CRUISE CONTROL WITH STOP - AND-GO AND LANE CENTERING

Can help maintain your distance and keep the vehicle centered⁴

EVASIVE STEER ASSIST

Can help you avoid a slow/stopped vehicle detected ahead⁵

ADAPTIVE STEERING

Helps optimize steering response at all speeds

Technology Package adds:¹

ENHANCED ACTIVE PARK ASSIST

Helps you parallel park and back into perpendicular spots

360-DEGREE CAMERA

Offers a bird's-eye view of the vehicle and its surroundings, or a 180-degree front or rear-view

FORWARD SENSING SYSTEM

Audible guidance for low-speed maneuvers

¹Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ²Pre-Collision Assist with Automatic Emergency Braking (AEB) can detect pedestrians, but not in all conditions and does not replace safe driving. See owner's manual for system limitations. ³Lane-Keeping System does not control steering. ⁴Lane centering requires the driver's hands to be on the wheel, and is not designed to operate on tight radius curves such as highway ramps, or lanes that are abnormally wide or narrow. ⁵Evasive Steer Assist does not control steering.

THE LINCOLN WAY

Along with your new Lincoln Nautilus, you'll enjoy the benefits of a personalized relationship with the team at your Lincoln Dealer. From exploring finance options to demonstrating your vehicle's technologies, we are dedicated to delivering an ownership experience that exceeds your expectations.

It's all part of the Lincoln Way.

THE LINCOLN NAUTILUS PRESIDENTIAL

Presidential

WELCOME

Lincoln Presidential is your invitation to a uniquely elevated automotive experience, one that revolves around you. Our 2019 collection features carefully curated design themes inspired by the love of travel, the arts, culture, fine food, architecture, fashion and more. Which one speaks to you? Explore them at your leisure at your dealership or another place of your choosing.

GALA

Lincoln NAUTILUS

The gorgeous new Gala theme evokes the sparkle and mystique of a prestigious cosmopolitan event. Within this exciting space, Onyx and Carmine Venetian leathers mingle in decadent contrast, while Linking-L perforation pattern seat inserts, intricate Nouveau Armor aluminum appliqués and an Alcantara® headliner add to the seductively tailored details that create the Gala experience.

THOROUGHBRED

Lincoln NAUTILUS

This dynamic theme is for those with a penchant for sporting refinement. Richly toned Chestnut leather is accented by Chilean Maple wood trim. Jet Black Alcantara® wraps the headliner. Jet Black Venetian leather seats feature Diamond-L perforation pattern inserts and Terracotta stitching. Honoring American equine culture, Thoroughbred evokes the majesty and strength of a champion.

CHALET

Lincoln NAUTILUS

The striking Chalet theme evokes the contrasting pleasures of cool, crisp mountain air and the warmth of an après-ski lodge. Venetian leather seats feature the Lincoln Star perforation pattern inserts. Espresso and Alpine colored leathers combine with the softness of an Alcantara® headliner and the beauty of Silverwood appliqué to create a welcoming space that inspires rejuvenation.

EXTERIOR FINISHES

A specially selected palette of custom, multifinish, premium paints is designed to enhance the exterior contours and complement the interior beauty of Lincoln Presidential vehicles. Among your choices are several ChromaFlair® paints, which exhibit a wide range of hues depending on your viewing perspective and the angle of the light. As a result, the paint appears to dance.

INTERIOR PALETTE

Less than 1% of hides produced globally are selected by a third-generation craftsman at Eagle Ottawa – a tannery since 1865 – then transformed into our exclusive Venetian leather through a process that imparts the softest “hand” and outstanding durability. Custom perforation patterns and precise stitching give this exquisite, naturally grained leather the perfect finishing touches.

A specially selected palette of premium multifinish paints is designed to enhance the exterior contours and complement the interior beauty of Lincoln Black Label vehicles. Among your choices are several ChromaFlair® paints, which exhibit a wide range of hues depending on your viewing perspective and the angle of the light. As a result, the paint appears to dance.
