

LINCOLN

2022 CORSAIR

ALWAYS BEGIN ON A BRIGHT NOTE

Expressive from every angle, the 2022 Lincoln Corsair® SUV combines spirited agility with responsive adaptability for an exciting ride. Each time you approach, Corsair greets you with a warm embrace. Lincoln Signature Lighting glows beneath the headlamps, while backlit door handles and available illuminated welcome mats extend an invitation. Within the airy 5-passenger interior, luxurious amenities and serene quietness await. You'll also enjoy unique elements like beautiful chimes created exclusively for Lincoln by the world-renowned Detroit Symphony Orchestra. Chart an exhilarating course for your future in Corsair.

BROADEN YOUR HORIZONS

Sweeping cityscapes are only the beginning. The Lincoln Corsair® interior is designed to enhance every view. Its dramatic horizontal lines are accentuated by details like Pinstripe Aluminum or available Paldao Wood. On the right side of the steering wheel, you'll find buttons for your music, phone and more that illuminate as needed to help guide you. And each time you return, Corsair will recall your Personal Profile settings when you enter with the Intelligent Access fob.

ENGAGE WITH DYNAMIC AUDIO

The available Revel® Audio System delivers finely crafted sound in full. With personalized listening modes like "Stereo," "Audience" and "On Stage," you have the freedom to experience different levels of sound immersion for any journey. Outstanding, multi-dimensional sound is courtesy of 14 carefully placed speakers including a subwoofer, cabin correction tuning, QuantumLogic® Surround sound technology and Revel Waveguides. You won't just hear the level of precision and musical accuracy – you'll feel it.

ENRICH YOUR TRAVELS

Whether you're making the most of some alone time or sharing a journey with friends, the Lincoln Corsair® SUV offers the functionality and flexibility you need to optimize every experience. An available panoramic Vista Roof® with power sunshade lets you increase the spacious feeling inside the cabin at the push of a button. With a sliding rear seat, it's easy to offer passengers more leg room or create more space for cargo.

TURBOCHARGE YOUR DAY

The Lincoln Corsair® SUV makes it easy with an all-turbocharged engine lineup. The standard 250-horsepower¹ Turbocharged 2.0-liter pairs with the 8-speed. Corsair offers smooth and effortless acceleration, plus hug-the-road performance, for an energetic and seemingly frictionless driving experience.

GLIDE EFFORTLESSLY

To help provide a smooth ride, Corsair features an Integral Bush Rear Suspension designed to absorb impacts and vehicle body motion in a way that helps make driving over most obstacles and road conditions as comfortable as possible. Torque Vectoring Control actively adjusts the speed between your front wheels for enhanced cornering agility.²

THRIVE WITH LINCOLN DRIVE MODES

Corsair puts the power to adapt right at your fingertips. Simply turn the knob to choose a Lincoln Drive Mode, and the system adjusts traction control, steering and pedal response, Intelligent AWD, even the sound of the engine, to help provide a remarkable driving experience. From Normal to Deep Conditions, beautiful animations on the digital instrument cluster help you make your selection, and Corsair takes care of the rest.

¹Horsepower ratings based on premium fuel per SAE J1349® standard. Your results may vary. ²Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

LINCOLN
SYNC® 3

COMMAND: WITH YOUR VOICE

SYNC 3 voice-activated technology¹ connects your tech with your Lincoln Corsair® SUV, and puts you in control of calls, music and more with the tap of a button on your steering wheel and simple voice commands. You can also tap or swipe the stunning 8" touchscreen. SYNC Applink®² gives you voice control of compatible mobile apps, too.

APPLE CARPLAY & ANDROID AUTO COMPATIBILITY

Apple CarPlay®³ allows you to connect a compatible iPhone® and get access to features like:

- Apple Music®
- Siri®, to send and receive hands-free text messages

Android Auto™⁴ allows you to connect a compatible Android™ smartphone to get access to features like:

- Google Maps™
- Google Assistant™ virtual personal assistant, for pass-through voice commands

¹Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. ²Commands may vary by phone and Applink software. ³Apple CarPlay and its functions are products of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan. All features supported in Middle East countries are available. ⁴Android Auto and its functions are products of Google and its terms and privacy statements apply. Requires compatible Android smartphone with Android Auto app on Google Play and data plan. All features supported in Middle East countries are available.
