Fuel consumption and emissions as per WLTP3 (combined cycle) and to be used for vehicle comparison purposes only. It is unlikely that these fuel consumption and emissions figures will be achieved in real world driving conditions. Actual fuel consumption and emissions will depend on many factors including the driver's habits, prevailing conditions and the vehicle's equipment, options and accessories, condition and use. *Connected Built-In Satellite Navigation is a Connected Service where eligible vehicles receive 1 year of service from the Ford Express New Vehicle Warranty start date, after which time the service may cease to be available, or may be subject to a subscription fee. Users must have created a FordPass App account (terms apply), have fully activated the vehicle's FordPass Connect modem and have SYNC Location set to 'on' to use this feature. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. ACC uses various data to adjust the set speed of the vehicle to the speed limit detected by the system. The ACC system will not always detect the correct speed limit and may set a vehicle speed that is above or below the actual speed limit. If the system does this, it can be overridden by the driver applying the brake or accelerator. ACC and Lane Centering has a minimum operating speed of 20km/hr. Detection of lower speed limit will result in system entering standby. The Stop and Go functionality of this system operates as low as 0km/hr in traffic jam situations. Customers should read the Owner's Manual for full details of the limitations of the ACC system before activating the system. If maps are not updated, incorrect speeds can be shown.

Ford Service Our commitment to you

Convenience. Reliability. And no nasty surprises. That's what service should be. And that's exactly what Ford promises when you have your car serviced. Feel at ease knowing that your car is being serviced by factory trained technicians using specialised diagnostic equipment. After all, nobody knows your Ford better than we do.

Service Made Easy

When you service at Ford with our factory trained technicians, your peace of mind is our top priority. We use only Genuine Ford Parts and provide you with a vehicle health report, so you know your vehicle is being maintained the way it should. Take advantage of all the Ford Service Benefits on offer.

Intelligent Oil Life Monitoring System (IOLM). The way you drive can have a significant impact on how quickly your oil is used. IOLM is a smart system that monitors oil levels and alerts you when the oil needs changing. Discover the full range of Ford Service Benefits by visiting ford.co.nz/owners/service.

Five Year Unlimited Kilometre Warranty

Covers your new Ford Escape vehicle against defects in factory materials or workmanship for the first 60 months¹. For details about this warranty please visit: www.ford.co.nz/owners/warranty

20,000 kms Service Intervals²

Improved oil technology and engineering refinement has enabled Ford to offer normal scheduled service intervals of 20,000 kms or every 12 months, whichever comes first.

Loan Car Programme⁴

So we can keep you on the road when you're getting a scheduled service you can take advantage of our Loan Car Programme.

Ford Customer Assistance Centre

You'll always find us responsive to your needs. Telephone 0800 FORD NZ (0800 367 369). T&Cs apply.

Super Service Triage

We're making things simple and clear. When you bring your Ford in for a service, your participating Dealer will complete either an electronic or paper vehicle report card that gives you a straight-forward indication of what we looked at, and what might need looking at in the future.

Finance and Lease Options

Choosing how to finance your vehicle is a major decision. My Ford Finance can get you the Ford you want, when you want it. Fully maintained or non-maintained operating leases remove the worry of depreciation, inflation and, more importantly, do not tie up your capital in an asset. Other forms of financing are also available. Flexible deposits and repayment terms mean that a plan can be structured for your specific needs. See your Ford Dealer to discuss your financing or leasing requirements.

1. Warranty conditions and exclusions apply. 5 year/Unlimited km Ford Express New Vehicle Warranty applies to new, demonstrator, dealership and service loaner vehicles. Warranty period commences on the date of delivery except where the vehicle is a dealership, demonstration or service loaner vehicle, in which case it commences on the date on which it was first registered by an Authorised Ford Dealer. Tyres and tyre tubes are excluded. Shock absorbers and batteries are subject to shorter warranty periods. www.ford.co.nz/owners/warranty for further information.
2. Conditions apply. Further information on these warranties and services may be obtained from your Authorised Ford Dealer.
3. Due to some system compatibility restrictions, not all Dealerships are able to provide Vehicle Report Cards. Please check with your Dealer as to availability.
4. Vehicle model availability may vary. Available at participating dealers on scheduled logbook services or overnight warranty repairs. For private, business and fleet customers. Booking required. Participating Dealers may require customers to comply with general usage conditions.

This brochure was designed to provide you with a general introduction to your Escape and was correct at time of going to print. However, Ford's policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer.
